Once you read this, please send it to send it to 15 people. Your next 5 days will be like this: Day 1 - you will wake up to the biggest shock of your life. Day 2 - you will cross paths with an old friend you have missed. Day 3 - you will find yourself with a lot of money. Day 4 - your day will be perfect. Day 5 - the love of your life will show his or her emotions. ....if you don't forward this, your next 5 days will be the exact opposite. Don't break this, Thanks :D
